## BACK TO SCHOOL NIGHT

September 7, 2018

Dear Parents,

**Back to School Night** will be held on **Thursday, September 13, 2018**. The attached agenda outlines the meeting times and locations.

During classroom meetings you will have the opportunity to visit your child's homeroom. Teachers will present an overview of the programs and will explain classroom procedures. Times are staggered so that parents with more than one student in Stevenson will be able to hear each child's teacher.

Please remember that Back to School Night is not an opportunity to conference with the teachers. If you must speak to a teacher about your child's progress, kindly schedule an appointment by calling the teacher's voice mail.

It is important to note that Back to School Night has been arranged to share information with parents about our programs. Therefore, children should remain at home.

Because of the numbers expected to attend Back to School Night, the Police Department will restrict parking to one side of both Knoll Road and Long Acres Road. Additional parking is available on the blacktop in the rear of the building. Please observe the posted signs.

We are looking forward to seeing all of you and to sharing our programs with you.

Sincerely,

Dr. Michael Trabucco  
Director of Curriculum & Instruction/Principal
