**Business/Finance Resolutions Items A-K**

Introduced by: Angela Altaai

Seconded by: Melinda Street

Discussion: Mr. DePascale asked Kathleen to explain what the New Jersey Learning Acceleration Grant is and what it will be used for?

Ms. Marano explained that this is a State Grant that Mr. Santana applied for on behalf of the district. It is the intent of the New Jersey Acceleration Program: High-Impact Tutoring Grant to support districts to provide intensive tutoring by focusing on high-impact tutoring interventions for students that have been disproportionately affected by the pandemic. This grant opportunity prioritizes districts with elementary schools and their students in grades three and four but will allow LEAs awarded the grant to serve additional students as needed and optimizes funding for targeted tutoring.
