D. APPROVAL OF THE COMPLETION OF SUPERINTENDENT'S QUANTITATIVE AND QUALITATIVE MERIT GOALS

Motions to adopt the following resolution.

RESOLVED by the Board, that it has been determined that the following Quantitative and Qualitative Merit Goals, established in the employment contract for the Superintendent, have been satisfied and were achieved during the 2015-2016 school year:

Quantitative Goals:

- Issued a minimum of 10 press releases celebrating student and staff achievements.

Qualitative Goals:

- Design and develop an improved evaluation tool, using the Strong Evaluation Model, for teachers and principals, that is congruent with current State recommendations/mandates; Create a tool that utilizes the Stronge teacher research-based performance indicators as an instrument that better communicates what was observed and measured. To improve data collection which will be analyzed to determine strengths and weaknesses.
- Conceive and create a plan to improve school climate through best practices.

IT IS FURTHER RESOLVED that the Board Secretary shall forward a certified copy of this resolution to the Essex County Executive Superintendent in accordance with N.J.A.C. 6A:23A-3.1(e) (10) (iv); and

IT IS FURTHER RESOLVED that upon receipt of confirmation of satisfaction of the above goals from the Essex County Executive Superintendent, the applicable Merit Bonus provisions of the Superintendents contract shall be paid.

E. INDEPENDENT CONSULTANT TO BUSINESS ADMINISTRATOR

Recommended Motion: that the Board of Education, upon the recommendation of the Superintendent, offer a contract to Dan Saragnese, as an Independent Consultant, from July 2016 through August 2016, not to exceed 3 days per week, at a rate of \$ 500 per day.

Personnel Recommendations: Introduced by: Seconded by: Roll Call

III. PROGRAM/CURRICULUM

A. GOOD NEWS

Churchill School

- Churchill School celebrated the at-home reading of over 200 of its students, during the “Churchill Derby” celebration. Students were asked to read 25 minutes a night for a month, at home. Those that did so logged their minutes and earned the celebration, which occurred on May 13<sup>th</sup>. The participating students saw the film “Secretariat” and then went to a field-day type event that included a horse race game and a dunk tank with Mrs. DeSordi inside.
- Students at Churchill are benefitting from working with a half dozen senior from West Essex, graduates of Churchill School, who are helping in classrooms and with other projects, such as the “Book Room” organization, at Churchill.

## FAIRFIELD BOARD OF EDUCATION PAGE 7 AGENDA MAY 24, 2016

### Grade 6

- Mr. Verrengia and Ms. Chavkin received an additional grant from the NJEA HIPP Foundation to start a Churchill Garden, similar to the one completed at Stevenson School. Fairfield Girl Scout Troop #20133 is working in conjunction with Churchill School to put everything together. Supplies to start building the raised garden beds will be delivered within a week from Structural Stone on Rt. 46. Everything grown in the garden will be organic and non-GMO.
- Sixth graders, working with Ms. Cecere, just completed beautiful portraits and sincere letters of appreciation to members of our school community (teachers, administrators, staff assistants, Board members, HSA, and more!). These works of art are on display in the "Gallery of Gratitude", which is found in the hallway near the new gym at Churchill.
- Mr. Smatla continued meeting with all sixth grade students, in short 2-on-1 meetings, to reflect on how their sixth grade year has gone. More than 80 students have taken advantage of this time to speak with their principal.
- Mr. Smatla continued meeting with all sixth grade students, in short 2-on-1 meetings, to reflect on how their sixth grade year has gone. More than 80 students have taken advantage of this time to speak with their principal.
- The sixth grade students are busy writing and publishing their own children's books this marking period. Each child will have his/her own book to take home as a keepsake or to donate to less fortunate children in New Jersey.

### Grade 5

- Students worked with author Anndee Hochman, in a Writer's Residency program, sponsored by the H.S.A. The sessions occurred in Language Arts classes.

### Grade 4

- Students worked with author Dr. Arthur Wilson in grade 4, in the Writer's Residency program sponsored by the H.S.A.

### Grades 4 and 5

- The 4th and 5th grade HEP students participated in a "Shark Tank" simulation on May 18th. As part of their Inventions unit. The 4th grade students were given the challenge to invent a product that would address a global, community, or personal concern. They presented those products to the 5th grade "sharks" who had just completed their Stock Market Game unit, and each student had \$1,000,000 to invest.

**FAIRFIELD BOARD OF EDUCATION PAGE 8 AGENDA MAY 24, 2016**

Stevenson School

- Kindergarten through Third Grade students participated in the annual Science and Technology Fair and Art Expo. Nearly 100 students participated in the fair and the entire student body exhibited an art piece at the expo. The mural club also completed the 50<sup>th</sup> Anniversary Tree. The leaves (handprints) belong to all 362 students (P-3) enrolled at Stevenson. The tree represents how, as a school community, we are growing together and how each individual makes Stevenson School a beautiful place to be.
- The kindergarten classes at Stevenson School love life cycles! Students are learning about the metamorphosis that occurs with frogs, ladybugs, and butterflies. Our youngsters have gained a tremendous amount of knowledge about these life cycles from the expository texts they have been listening to. The children were eager to observe and record information about these living creatures in our classrooms.
- First grade learned about the needs of animals and then went on a field trip to Fosterfield Farms. During this field trip, the first graders learned about the various types of animals and the history of the farm. In science, the first graders learned about sound. As a follow-up activity, students went on a walk inside and outside of the school to record all the different sounds they heard.
- Second Grade took a field trip to Buehler Challenger Center in Paramus a few weeks ago. Students conducted hands on science experiments, and learned all about constellations and space travel. Students created a filter using various materials to clean dirty water. They also developed and tested a theory about how to protect a space shuttle. One of the highlights of the trip was launching rockets into space using different states of matter.
- Our Third Graders Have a Green Thumb! To celebrate Earth Day on April 22, the Third Grade participated in the annual Third Grade Tree Team Project through the New Jersey Forest Service. This state wide program entitles every third grader in New Jersey to a free tree seedling when requested by the local school. It acquaints young students with the value and importance of trees, increasing environmental awareness and teaches students about the benefits of trees. The seedlings are a perfect way to get students involved in environmental activities, especially during Earth Day and Arbor Day. Our Third Graders certainly had a hands-on experience with this year's Earth Day project. Thanks to Mrs. Pechko, each Third Grade class received a bundle of 20 Nordic Spruce seedlings. Each student was able to select a seedling, wrap the roots in moist newspaper, and pack the seedling into a small bag to transport home. Students enjoyed selecting a seedling, packaging it properly, and happily bringing a young Nordic Spruce tree to plant at home. Six of these seedlings were proudly planted on the front property at Stevenson School. We look forward to watching our new trees blossom and grow into majestic adult Nordic Spruce Trees in the years to come.

**FAIRFIELD BOARD OF EDUCATION PAGE 9 AGENDA MAY 24, 2016**

- On Special Person's Day students participated in a living wax museum, which was presented to the school in the afternoon. Each student chose a hero, researched his/her accomplishments, and conferred with their classroom teacher to write an oral presentation. The students dressed like their hero and presented their information to interested listeners.
- Flat Stanley projects have been returning to school from all over the world. Stanley has traveled near and far. He made it all the way to Australia, England, Greece, and even Singapore. We have enjoyed learning about all different parts of the world.

**B. SUMMER LITERACY PROGRAM APPROVAL**

Recommended Motion: that the Board of Education, upon the recommendation of the Superintendent, approve a Summer Literacy Program to include 3 staff members for 4 hours per day for 22 days at the current student contact rate of pay per contract, pending completion of negotiations.

**C. NURSING PLAN APPROVAL**

1. Recommended Motion: that the Board of Education, upon the recommendation of the Superintendent, approve the 2016-2017 Nursing Plan revised by the school nursing staff and school physician.

**D. VENDOR APPROVAL**

1. Recommended Motion: that the Board of Education, upon the recommendation of the Superintendent, approve a contract with Brett DiNovi, and Associates, LLC for ABA Therapy Services @ \$45.00 per hour and Coordination Therapy @\$115.00 per hour on an as needed basis for the 2016-2017 school year, including the extended school year program, Summer 2016.

Program/Curriculum Recommendations:

Introduced by: Seconded by: Roll Call

**IV. POLICY**

**A. Job Description Approval**

Recommended Motion: that the Fairfield Board of Education upon the recommendation of the Superintendent, approve the job description for School Behaviorist, effective for the 2016-2017 school year.
